Steelcase Seating Portfolio

Karman

Steelcase Karman goes beyond leading mesh office chairs with 21st century design that naturally responds to a body's movement, delivering industry-leading comfort, ergonomics and sustainability.

Gesture

Gesture redefines the relationship between you and your desk chair. Voted best office chair, its 360-degree arms, contoured back and adjustments are designed for all the ways technology shapes your posture.

Leap

Leap is an ergonomic office chair that lets you dial in a precise fit in all the places you need it most. It's highly intuitive and you'll love the way the seat glides back and forth as you recline, keeping you connected to your work.

Think

With beauty to match brains, this icon of sustainable design serves up a breadth of style choice that is warm, tailored and sophisticated.

Amia

Amia is an ergonomic task chair that brings a refined style to any space, enhanced by precise manual adjustments, two back options and responsive support. Amia is a versatile best-seller.

Series 1

Steelcase Series 1 gives you essential ergonomics and quality at a great value. This high-performance office chair boasts space efficiency, weight-activated controls and an even more sustainable option.

Series 2

Steelcase Series 2 offers attainable ergonomic performance with a boost of expression. The geometric, lumbar-focused back design comes in standard or quilted upholstery, or plenty of 3D Microknit or Air back options.
